

# Carl McLawhorn Memorial Fly-Off VI

- NAR National Rocketry Competition (NRC) Events
  - CMMF Meet Championship
- Sport & HP Launch, Up To K Motors (5,000 AGL)

**October 13-14, 2018**

9am-5pm Saturday, 9am-2pm Sunday

Hosted by: PSC #473 Pittsburgh Space Command

Location: Weber Farm - 595 Tie Line Road, Grove City, PA

## \* Meet Championship Events:

Predicted Dur. (Any Semroc Kit), 1/4A Parachute Dur.,  
B Eggloft Dur., B Payload Altitude (Altimeter), E Boost Glider

## \* Meet Championship Scoring:

Note Change: Normal NAR divisions will be used instead of a combined division.

We will use the NARAM sporting code scoring system for each event.

Total score of the meet will be the sum of the meet championship events.

The predicted duration event will be used for any ties.

## \* All NRC Events Can Be Flown:

Eggs will be provided but competitors will need to provide their own payloads and altimeters.

### Pre-Competition Barbecue - October 12th (6:00 pm):

Hosted by Lori and John Brohm at 106 Wickerham Dr, Mars PA 16046

Please give them a head count at: [jrbrohm@zoominternet.net](mailto:jrbrohm@zoominternet.net)

*Come join us in some friendly competition or  
bring a few sport rockets and come check it out.*
