

2010 US Space Modeling Team

Bulletin #3 – August 2009

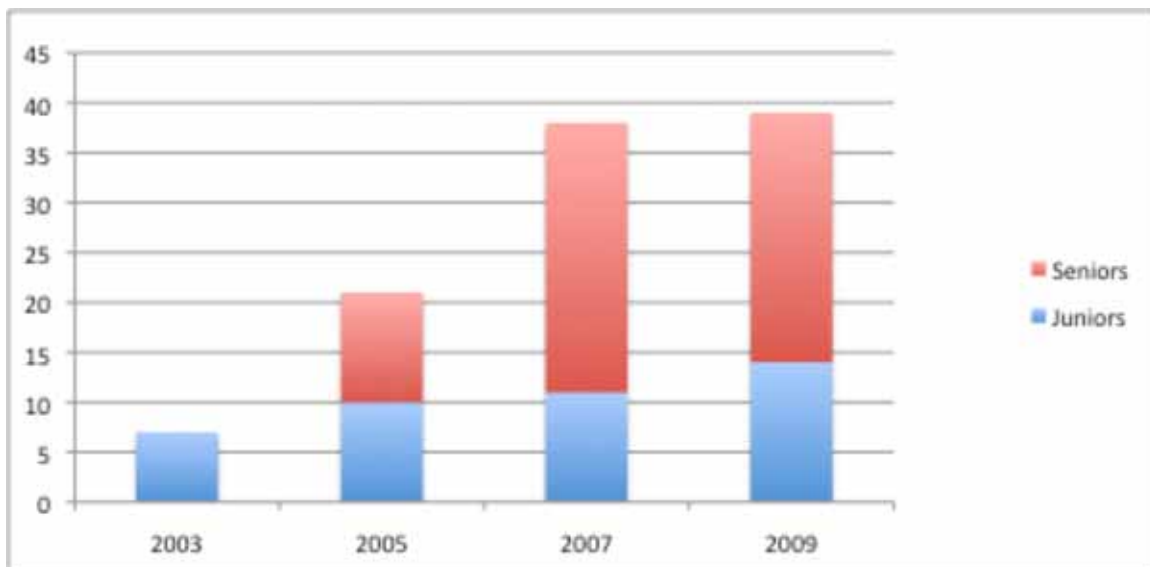

Flyoff Results

This bulletin presents the results from the Team Selection Flyoffs held August 8 & 9, 2009 in conjunction with NARAM-51.

Attendance

14 Juniors and 25 Seniors participated in the flyoffs. This was a new record for Junior participation. The participation list is attached.

All of us owe a debt of thanks to Bill Stine, who acted as Contest Director, to Ed Pearson and Ellis Langford, who devoted their entire weekend to helping run the event, to the NARAM 51 CD, Steve Foster and his team, who provided the outstanding range support, and to the other volunteers who helped time, launch, and process data to make the flyoffs happen.

Next Steps

The top three finalists in each event are hereby invited to join the team by submitting a \$250 non-refundable deposit to the "NAR International Competition Committee" c/o John Langford at 218 N. Cherry St., Fall Church, VA 22046.

People who qualified in more than two events are asked to rank their events in order of preference. Only two events will be assigned to any one individual.

Based on the above, the NAR International Competition Committee will work down the list of results to organize the official team. This team will be announced in Bulletin #4, which we hope to publish in early September.

To report errors or omissions, or for more information:

Please contact John Langford at jslangford@mac.com or 703-408-2119. I would be happy to discuss any aspect of the team selection with you.
