

## **\$800 Travel Grant for First-Time B-Division NARAM Participants**

The NAR Education Committee is sponsoring up to three travel grants to attend this year's National Association of Rocketry Annual Meet (NARAM-51) for first time B-division participants. These grants are made possible by a donation from NAR member Robert Alway with matching funds from the NAR. For more information on this year's meet, see [www.nararm.org](http://www.nararm.org). NARAM 2009 is to be held August 9 through August 14 in Johnstown, Pennsylvania.

The recipient must be a NAR member eligible to participate in B-division competition for the competition season of July 1, 2008, to June 30, 2009 (i.e., age 14 to 18 as of July 1, 2008). The NARAM meet is an extension of this competition season. The recipient must not have attended NARAM previously.

The grant award will be in the form of a check provided to the winner upon their arrival at NARAM to use for his/her registration and expenses. The awardee will not receive any of the award funds prior to arrival at NARAM.

The recipients will be chosen by the NAR Education committee.

To qualify, the applicant must:

- 1) Attend NARAM for at least three days during the NARAM week, Sunday August 9 through Friday August 14, 2009.
- 2) Compete in at least two events at NARAM. To learn about scheduled NARAM 51 events, see [www.naram.org](http://www.naram.org) under Contest Flying/Events. The web site contains links to the competition rules for each event.
- 3) Give a talk or demonstration on his/her rocketry activities.. This can be done on the sport range Sunday or later, or at a pre-arranged time during the week, for example, on Wednesday or Thursday evenings before or after the Research and Development competition presentations. Examples of presentations or demonstration materials could be a Team America Rocketry Challenge (TARC) entry, a rocket with special features or design, or a winning rocketry science fair project. This project or demonstration must be on a separate topic from the NARAM R&D Competition if the B-divisioner chooses to enter this competition.
- 4) After NARAM, write an article for Sport Rocketry magazine evaluating his/her experience at NARAM.

To apply, please fill out the form below and send by E-mail as plain text or attachment, or regular mail to

Joyce Ann Guzik  
NAR Trustee  
432 Pruitt Avenue  
Los Alamos, NM 87544-3627  
jguzik@mindspring.com

Applications postmarked on or before Saturday, June 13 or received by E-mail on or before Monday, June 15, 2009 will be considered. The awardees will be notified by E-mail or telephone before Tuesday, June 30, 2008.
